October 1, 2025, LEHI, UT—SirsiDynix, a leading provider of library technology solutions, is pleased to announce that registration is now open for Connections 2025, a free online conference dedicated to uplifting library professionals everywhere.

Taking place this October 28 through 29, Connections offers attendees the opportunity to:

- Attend 20+ sessions on industry issues, library technology, and SirsiDynix products and services.
- Hear from advocates, authors, library directors, professors, and product experts—and take meaningful strategies back to their staff and patrons.
- Connect and exchange ideas with peers from hundreds of libraries around the world.

Each day of the conference will run from 11:00 a.m. to approximately 3:30 p.m. ET and explore the following themes:

**Opening Day** will zero in on the most pressing issues facing libraries today—like artificial intelligence, budget cuts, and connecting to one's mission—and equip participants with the resources they need to navigate them.

**Day Two: Explore SirsiDynix Day** encourages attendees to follow one of three custom tracks for the day:

- **Academic**, which will introduce transformative approaches to managing scholarly content, course lists, and more.
- **BLUEcloud**, which will provide an immersive look at SirsiDynix's ever-evolving LSP and applications like BLUEcloud Circulation, BLUEcloud Discovery, and BLUEcloud Mobile2.
- **EOS.Web**, which will feature tips, tricks, and updates on SirsiDynix's scalable ILS for special libraries.

## *About SirsiDynix*

SirsiDynix believes in the power of libraries. Transforming and shaping their communities every day, that power inspires us to connect people with knowledge at more than 20,000 libraries worldwide. SirsiDynix technology combines relevant resources with the Best Library User Experience (BLUE). With our Best-of-Breed approach, SirsiDynix gives libraries the greatest and most expansive range of options for their software. Complemented by the most experienced training, consulting, and support staff in the industry, SirsiDynix helps libraries to reach their highest potential while serving their communities.
